Performance specification

The product described above fulfils the requirements set out in SP's Certification rules for P-marking of Agri-stretch film for round-bale ensiling, SPCR 063.

Instructions for use and marking of products

The products may display SP's P-mark according to above mentioned certification rules. Detailed requirements for the instructions for use are presented in clause 2.3.1.3 in SPCR 063. Detailed requirements for marking are presented in clause 2.3.3 in SPCR 063.

Validity

This certificate is valid until not later than 2025-03-03.

Miscellaneous

The manufacturer's own inspection procedures are under surveillance by SP in accordance with section 4 and 5 in SPCR 063. This issue of the certificate replaces earlier issues. (The earlier issue was issued to Visqueen.)
